FIEUZAL

2025 VINTAGE

The colour is intense and deep, with violet hues and brilliant purple highlights.

The nose, pure and fresh, currently reveals delicately milky primary aromas, enhanced by subtle notes of white pepper and blackcurrant. This 2025 blend exudes great aromatic purity, underpinned by a lovely freshness.

On the palate, the attack is silky, then the wine unfolds with length and precision. The texture evolves into a powdery quality, elegantly supported by the characteristic freshness of Cabernet, which accompanies and prolongs the tasting experience harmoniously.

Stephen Carrier, Winemaker

VINEYARD

OWNER
Famille Quinn
